PETROLEUM REFINING TECHNOLOGY
2019 SEMINAR SCHEDULE (SECOND HALF)

PROGRAMS TO BE PRESENTED AT HYATT REGENCY HOUSTON INTERCONTINENTAL AIRPORT IN HOUSTON, TEXAS USA

Basics of Petroleum Refining for Non-Technical Personnel  October 7
Fluid Catalytic Cracking Process Technology  October 7, 8, 9
Introduction to Petroleum Refining Processing  October 8, 9, 10
Delayed Coking Process Technology  October 9, 10, 11
Hydrotreating & Hydrocracking Process Technology  October 9, 10, 11
Refinery Distillation: Operation & Troubleshooting  October 9, 10
FCCU Monitoring, Troubleshooting & Optimization  October 10, 11
Crude Oil Desalting  October 21, 22
Refinery Troubleshooting  October 21, 22
Catalytic Reforming Process Technology  October 22, 23, 24
How to Blend Bunker Fuel  October 22
How to Blend Gasoline and Diesel in Refineries  October 23, 24
Water Treatment for Refineries and Chemical Plants  October 23, 24, 25
Refinery Economics and Margin Improvement  October 23, 24, 25
Crude Oil Distillation  October 23, 24, 25
How to Blend Gasoline and Diesel for Traders  October 25

PETROLEUM REFINING TECHNOLOGY
2020 SEMINAR SCHEDULE (FIRST HALF)

PROGRAMS TO BE PRESENTED AT HYATT REGENCY HOUSTON INTERCONTINENTAL AIRPORT IN HOUSTON, TEXAS USA

Basics of Petroleum Refining for Non-Technical Personnel  February 24
Fluid Catalytic Cracking Process Technology  February 24, 25, 26
Introduction to Petroleum Refining Processing  February 25, 26, 27
FCCU Monitoring, Troubleshooting & Optimization  February 27, 28
Crude Oil Desalting  April 20, 21
Refinery Troubleshooting  April 20, 21
Utility Cost Savings in Refineries & Chemical Plants  April 21, 22
Delayed Coking Process Technology  April 21, 22, 23
How to Blend Bunker Fuel  April 21
How to Blend Gasoline and Diesel in Refineries  April 22, 23
Water Treatment for Refineries and Chemical Plants  April 22, 23, 24
Catalytic Reforming Process Technology  April 22, 23, 24
Crude Oil Distillation  April 22, 23, 24
How to Blend Gasoline and Diesel for Traders  April 24
Basics of Petroleum Refining for Non-Technical Personnel  May 11
Refinery Distillation: Operation & Troubleshooting  May 11, 12
Introduction to Petroleum Refining Processing  May 12, 13, 14
Steam Cracking & Olefin Technology  May 13, 14
Hydrotreating & Hydrocracking Process Technology  May 13, 14, 15
Refinery Economics and Margin Improvement  May 13, 14, 15

9/6/19
